

# Seal the Deal or Sell It? U.N.'s High-Pressure Green Game

---

Thursday, November 19, 2009 **FOX NEWS**  
By George Russell

The effort to sign a new, multitrillion-dollar greenhouse gas reduction treaty in Copenhagen next month has hit a wall, but that isn't slowing down the United Nations.

*(Note from Mannkal: You will note the previous and supposedly apolitical 'civil servants' of UN suddenly galvanising into clearly political overtures. They want you wallet and control of your actions. This report on the UN activities gives details of the concerted attach being planned on those remaining productive individuals. So, in view of Australia's Senate vote, we suggest you immediately withdraw further support for any politician or party who supports this Climate Alarmism.)*
