Reform Agenda for WA: A positive reform guide to the 2008 election

Western Australia is being held back by red tape and poor regulation. Western Australians have the skills and capacity to best capitalise on the resources boom but government policy settings mean WA is badly underperforming compared to its potential. The *Reform Agenda for Western Australia* report spells out a clear direction for policy and government in WA, regardless of the election outcome.

Wednesday 27 August 2008
