

Mannkal Conference Scholarship Cato University

...because ideas matter...

The Mannkal Foundation is seeking applications from current university students to attend a week long conference in the US. The Cato Institute is holding their annual “Cato University” conference.

Cato University is the Cato Institute's premier educational event of the year. This annual program brings together outstanding faculty and participants from across the country and, often, from around the globe – all sharing a commitment to liberty and learning.

Would you like to meet like-minded people from all over? Have a spectacular vacation while sharing ideas on liberty, free markets, economics, history, philosophy, individual rights, the dangers of a sprawling and intruding government – among other subjects? If so, Cato University is definitely for you.
