100 Great Books of Liberty

100 Great Books of Liberty is a
comprehensive and accessible guide to
the books which made liberty the most
important idea of Western Civilisation.

100 Great Books is the essential guide to:

The Republic • Two Treatises on Government
The Wealth of Nations • The Western Canon
Reflections on the Revolution in France
The Rights of Man • On Liberty • Leaves of Grass
Democracy in America • The Federalist Papers
The Civilisation of the Renaissance in Italy
Animal Farm • Witness • Capitalism and Freedom
The Tyranny of Distance • The End of History
A History of the English-Speaking Peoples
Darkness at Noon • The Fountainhead
...and eighty other great books of liberty.
