

The New World Order

A Look into the Not-too-Distant Future

"We can't expect the American People to jump from Capitalism to Communism, but we can assist their elected leaders in giving them small doses of Socialism, until they awaken one day to find that they have Communism."

(Russian Leader, Nikita Khrushchev)

A Discussion Paper by Alan Metcalfe

The Fascist Socialist **New World Order** is rapidly taking shape. It is happening now, before our very eyes. Most of its supporters believe that it is already well past the tipping point, and is now inevitable. It's a **Fascist Socialist** world dominated by Big Government ("Big Brother"), Big Business, Big Unions, and their friends (the "New Mafia"). The Big Governments of Russia, China, and the emerging Middle East Caliphate will dominate this new world in which individual free enterprise will not exist. The state religion will be a Reverend Wright mixture of Islam and Christianity, based on the ideas of Black Liberation Theology.

This is the thirteen (13) part strategy that is in play, to make it happen:

1. **Work under the Guise of the United Nations and its Associates**
 - Socialism/Communism controls the vote – Freedom cannot win **(Done)**
 - Put the machinery in place for the New World Order **(Done)**
 - Cut up the "Cake" **(Done)**
2. **Destroy America's Influence in the World**
 - Undermine the credibility of the American Dollar (US\$) **(Done)**
 - Undermine the US economy **(Done)**
 - Discourage the American people – destroy their heroes **(Done)**
3. **Undermine/Buy up the Christian Church (the ultimate power of America)**

 - Exploit the naiveté and inexperience of young people
 - Create causes of major concern (“Global Warming”, “Global Poverty”, “Asteroid Attacks”, “Rich Exploiting Poor”)

 - Work with the Teachers’ Union – give them whatever they want **(Done)**

8. **Allow/help Russia to regain control over Eastern and Western Europe**
 - Reduce American influence in Europe **(Done)**
 - Make all of Europe dependent on Russian oil and gas **(Done)**
 - Increase Muslim influence **(Done)** – this is a bargaining chip for Russia
9. **Allow the Muslim Caliphate to happen - Give the Middle East and the Islamic World to the Muslim Brotherhood who are friendly to this plan**
 - Iran’s nuclear bomb is the distraction (this is “Bait & Switch”) – they will get the Bomb when they want it from Pakistan. **(Done)**
 - Lebanon and the Palestinians are on board **(Done)**
 - Somalia is on board **(Done)**
 - Iraq is now firmly under the influence of Iran **(Done)**
 - Egypt and Libya have been delivered **(Done)**

- Pakistan and Afghanistan will follow **(Done)**
 - Turkey will succumb. **(Done)**
 - Africa will ultimately succumb **(Done)**
10. **Isolate India**
- Don't help India in any way **(Done)**
11. **Allow Islam to take over Africa**
- Promote the idea that it is a "basket case" – too difficult. **(Done)**
 - Do not talk about South Africa's vast natural resources. **(Done)**
 - One by one the dominoes will fall **(Happening)**
12. **Leave South America alone**
- It will follow the World Order – it has no choice. **(Done)**
 - Do not talk about South America's vast natural resources. **(Done)**
13. **Demonize Wealth and Rich People (the New Jews)**
- Exploit young people's desire to do good **(Done)**
 - Rely on the greed of the lazy masses **(Done)**
 - Rely on the media to champion the cause of the underdog. **(Done)**

 - Control Wall Street **(Done)**
 - Regulate Small Business out of business **(Underway)**

Summary: If you are not worried – you should be. God save the people of the world.
